

FORESTVILLE

Picture-perfect every moment

Floorplan Brochure

Picture your life in perfection.
Let it begin here.

Enter a home where picture-perfect moments await.
Every day is filled with never-ending enchantment and discovery,
as your home reveals its delightful secrets to you. This is your
sanctuary amidst the trees and waters, where serenity awaits,
and tranquillity abounds.

Artist's Impression

A world of convenience

Enjoy great connection and connectivity. Be served by the Woodlands MRT Station linking to the future Thomson Line, Woodlands Regional Bus Interchange, major roads, Seletar Expressway (SLE), Bukit Timah Expressway (BKE) and the future North-South Expressway.

JOHOR (MALAYSIA)

JOHOR BAHRU SENTRAL (PROPOSED RTS)

WOODLANDS REGIONAL HUB

Connect to places of unparalleled potential

From your prime position in Woodlands, worlds of potential and progress are never far. Just across the Causeway lies Johor Bahru and Iskandar Malaysia, the international one-stop business, shopping, dining and economic zone.

From Woodlands, you also have direct access via MRT and the BKE to the future rejuvenated Jurong Lake District, the biggest lakeside destination for business and leisure in the Western Region.

Woodlands itself is set to be transformed into the new Woodlands Regional Hub – comprising the Woodlands North Coast and Woodlands Central – a bustling waterfront destination set to be the next major commercial hub of Singapore.

Business hub

North-South MRT line and the future Thomson Line

3-bedroom dual-key

The 3-bedroom dual-key unit is meticulously designed for a multi-generation family to live together. It comes with an attached studio where parents or grandparents can stay and enjoy their own privacy and independent lifestyle while staying under the same roof as their children and grandchildren.

The interior rooms are thoughtfully laid out with efficient and effective use of space.

Elegance residence 5-bedroom

The 5-bedroom unit is suitable for those with a large family or those who require the space to accommodate their vibrant lifestyle. Most of the spacious bedrooms are arranged to face externally to maximise the views looking out, and living activities can extend onto the spacious Private Enclosed Space (PES) in front. This ensemble is further completed with the provision of a dry-kitchen and junior suite.

- g) Balcony and Roof Terrace

- Metal Railing and/or fixed glass panel and/or reinforced concrete (RC) balustrade to Architect's design
- h) Air-Conditioning
- Wall mounted fan coil unit air-conditioning system to Living/Dining, and Bedroom.

NOTE:

1) Air-Conditioning System

To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned on a regular basis by the Purchaser. This includes the cleaning of filters, clearing of condensate pipes and charging of gas. The Purchaser is advised to engage his/her own contractor to service the air-conditioning system regularly.

2) Mechanical Ventilation System

Mechanical Ventilation fans and ductings are provided to toilets which are not naturally ventilated.

To ensure good working condition of the mechanical ventilation system, the mechanical ventilation system for the exhaust system within internal toilets (where applicable) is to be maintained by the Purchaser on a regular basis.

3) Television and/or Internet Access

The Purchaser is liable to pay annual fee, subscription

fee and such other fees to the television and/or Internet Service Providers or any other relevant party or any relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective channels and/or internet access.

4) Warranties

Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and/ or appliances installed by the Vendor at the Unit, the Vendor will assign to the Purchaser such warranties at the time when possession of the Unit is delivered to the Purchaser. Notwithstanding this assignment, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 and clause 17.

5) Layout/Location of Wardrobes, Kitchen Cabinets, Fan Coil Units, Electrical Points, Door Swing Positions and Plaster Ceiling Boards.

Layout/Location of wardrobes, kitchen cabinets, fan coil units, electrical points, audio intercom system, door swing positions, plaster ceiling boards are subject to Architect's final decision and design.

6) Materials, Fittings, Equipment, Finishes, Installations and Appliances

Subject to clause 14.3, the brand, colour and model as specified for all materials, fittings, equipment, finishes, installations and appliances to be supplied shall be provided subject to Architect's selection and market availability.

7) False Ceiling

The false ceiling space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purposes. Where removal of equipment is needed, ceiling works will be required. Location of false ceiling is subject to the Architect's sole discretion and final design.

8) Glass

Glass is manufactured material that is not 100% pure. Invisible nickel sulphide impurities may cause spontaneous glass breakage, which may occur in all glass by all manufacturers. The Purchaser is recommended to take up home insurance covering glass breakage to cover this possible event. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 and clause 17.
