

## THE EC WITH A WEALTH OF WATER FACILITIES

Where life is drenched with fun

Be surrounded by extensive water bodies in the forms of aquatic-themed facilities and landscaped pools. Over 30% of the ground-level communal spaces are filled with sparkling water bodies, promising a wealth of water leisure options and rippling views.

## THE EC WITH AN ICONIC SKYPARK

Where lifestyles are taken to new heights

At more than 15 storeys above ground, experience a morning stretch among the clouds or candlelight moments under the stars. A breathtaking range of facilities that will take you to a new level of recreation. Atop the SkyPark, Singapore's northern panorama simply dazzles.

# Sky PARK

RESIDENCES

## A PREFERRED ADDRESS

Where a network of conveniences resides

A highly developed estate in Singapore's northern tip, Sembawang has an established network of transportation, educational and shopping amenities. Strategically straddling the upcoming Woodlands Regional Centre and Punggol eco-town, this is where the promise of future lives.

#### Notes:

#### Marble, Limestone and Granite

Marble, limestone and granite are natural stone materials containing veins with tonality differences. There will be colour and markings caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity in the marble, limestone or granite as well as non-uniformity between pieces cannot be totally avoided. Granite tiles are pre-polished before laying and care has been taken for their installation. However granite, being a much harder material than marble cannot be re-polished after installation. Hence some differences may be felt at the joints. The tonality and pattern of the marble, limestone or granite selected and installed shall be subject to availability.

#### Cable Television and/or Internet Access

The Purchaser is liable to pay annual fee, subscription fee and such other fees to the Starhub Cable Vision Ltd (SCV) and/or internet service providers (ISP) or any other relevant party or any other relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective subscription channels and/or internet access.

#### Timber

Timber is a natural material containing grain/vein and tonal differences. Thus it is not possible to achieve total consistency of colour and grain in its selection and installation.

#### Glass

Glass is widely used in residential developments and my break/shatter due to accidental knocks or other causes. In addition, glass is a manufactured material that may not be 100% free from impurities. These impurities may on rare occasions cause spontaneous glass breakage in certain pieces of tempered glass that may be used where applicable. It is difficult to detect these impurities, which may be present in tempered glass. The purchaser is recommended to take up home insurance covering glass breakage to cover this possible event.

#### Tiles

All tiles, plaster, skim coat and emulsion paint are provided up to false ceiling level and on exposed surfaces only. No tiles behind/ below kitchen cabinet, vanity cabinet and areas enclosed by long bath and at back and plinth of kitchen cabinet. Wall surface above the false ceiling level will be left in its original bare condition. Selected tile sizes and tile surface flatness cannot be perfect, and are subject to acceptable range described in the relevant Singapore Standards.

# Specifications

#### False Ceiling

The space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purposes. Where removal of equipment is needed, ceiling works would be required.

#### Balconies, PES and Reinforced Concrete (RC) Ledge and Reinforced Concrete (RC) and/or Steel Trellis

Where the Building is designed with a Balcony, PES, RC Ledge, RC and/or Steel Trellis or which are open or covered by roofings, the Purchaser shall not dismantle such roofings nor shall the Purchaser cover up or erect any roof structure (including but not limited to retractable awnings) over such Balcony and/or PES and/or RC Ledge and/or RC and/or Steel Trellis except with the prior approval in writing of the relevant competent authorities and the Vendor.

#### Wardrobes, Kitchen Cabinets, Fan Coil Units, Gas Pipes and Heaters, Electrical Points, Door Swing Positions and Plaster Ceiling Boards

Layout/Location of wardrobes, kitchen cabinets, fan coil units, gas pipe and heaters, electrical points, door swing positions and plaster ceiling boards are subject to Architect’s sole discretion and final design.

#### Materials, Fittings, Equipment, Finishes, Installations and Appliances

The brand, colour and model of all materials, fittings equipments, finishes, installations and appliances supplied shall be subjected to Architect’s selection, market availability and the sole discretion of the vendor.

#### Air-Conditioning System

To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned by the Purchaser on a regular basis. This includes the cleaning of filters, clearing the condensate pipes and charging of gas.

#### Web Portal of the Housing Project

The Purchaser will have to pay setup fee, annual fee, subscription fee or any such fee to the service provider of the Web Portal of the Housing Project as may be appointed by the Vendor or the Management Corporation when it is formed.

#### Internet Access

If the Purchaser requires internet access, the Purchaser will have to make direct arrangements with the Internet Service Provider and/or such relevant entities/authorities for internet services to the Unit and to make all necessary payments to the Internet Service Provider and/or the relevant entities/authorities.

#### Warranties

Where warranties are given by the manufacturers and/ or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor shall assign to the Purchaser such warranties at the time when possession of the Unit is delivered to the Purchaser.

# Developers

## JBE Holdings Pte Ltd

JBE Holdings Pte Ltd (“JBE Holdings”) is a property developer with a strong commitment to environmental sustainability and enriching lives through thoughtful and quality home concepts.

With a diverse track record that spans residential and mixed-use projects, JBE Holdings has developed Luxe Ville, a freehold 50-unit condominium at Pasir Panjang Road; and 53 units of terrace houses at Sembawang Greenvale next to Sembawang Park.

JBE Holdings is also the owner and developer of The Luxe, a mixed-use development at Handy Road in the heart of Orchard area. The development concept of The Luxe is to enable city living amid artistic ambiance in Singapore’s centrally-located art and heritage district.

SkyPark Residences marks JBE Holdings’ foray into the development of executive condominiums. The development vision of SkyPark Residences is to up the ante of executive condominium living through a luxurious SkyPark perched in the sky with a wide range of recreational and lifestyle facilities.

JBE Holdings is a private developer with a decade of development experience in Singapore.

KEONG HONG

## Keong Hong Holdings Limited

Keong Hong Holdings Limited (“Company”), our subsidiaries and our Associated Company (collectively referred to as the “Group”), was established in Singapore in 1983 and listed on the Catalist Board of the Singapore Exchange Securities Trading Limited (the “SGX-ST”) in 2011. The Group is a provider of a broad range of building construction services to both private and public sectors for residential, commercial, industrial and institutional projects.

Our Group’s business comprises building construction services including conventional contracts, additions and alterations (“A&A”) and Design & Build (“D&B”) projects in Singapore and the Maldives, and property development in Singapore.

With over 25 years of experience, the Group has established a strong customer base comprising major players in the construction industry. Our major customers include well-known property developers and owners such as Keppel Land group, Frasers Centrepoint Limited, MCL Land Ltd for private sector projects, as well as government bodies and statutory boards for public sector projects. Our diversified portfolio of projects includes The Esta, IBIS Hotel Project, Falhumaafushi Resorts, Maldives, Singapore Institute of Management, Sime Darby Performance Centre, The Belvedere, Martin Place Residences, Parvis @ Holland Hill and 8@Woodleigh Close. In 2011, we also forayed into property development through a joint venture with FCL Tampines Court Pte. Ltd. to develop a 728-unit executive condominium project in Punggol.

Twin Waterfalls

Led by a highly qualified and experienced management team with a total staff strength of over 100, Keong Hong has built a strong reputation in the market for its commitment to quality and service. The Group achieved numerous industry recognitions including BCA A1 grading under the category CW01 for general building which allows us to tender for public sector construction projects of unlimited value with no restrictions for private sector construction projects, as well as BCA Award for Construction Excellence. The Group was also awarded ISO 9001:2008 and SS ISO 9001:2008 Certificate of Registration (Quality Management System) for design management and building construction services, ISO 14001:2004 and SS ISO 14001:2004 Certificate of Registration (Environmental Management System) and OHSAS 18001:2007 Certificate of Registration (Occupational Health and Safety Management System).
